

ANTICIPATED FULL-TIME FACULTY POSITION

Department of Health Information Management
College of Health Related Professions
University of Arkansas for Medical Sciences

Minimum Qualifications: Current RHIT &/or RHIA credentials, a degree in health information management or in another clearly relevant area, and teaching experience which can be part-time or equivalent. Applicant must also have clinical experience within the health information management or related field, preference is given to supervisory experience. A master's degree and AHIMA credentials or related field credentials are preferred for this position. Experience with Web-based instruction is a plus.

Responsibilities: Classroom, computer simulation, and clinical teaching; university, college, and departmental service; scholarly activity as appropriate.

Salary and rank: Commensurate with qualifications and experience.

UAMS, Arkansas' academic health science center, includes the Colleges of Health Related Professions (CHRP), Medicine, Nursing, Pharmacy, and Public Health, and the Graduate School. The CHRP offers programs in 18 professional disciplines through 11 departments.

Little Rock is a progressive city with an excellent quality of life. The state capital, Little Rock offers a downtown convention and entertainment district, a fine symphony orchestra, restaurants, shopping, museums, and the new William J. Clinton Presidential Center. Little Rock, located on the beautiful Arkansas River, has plentiful hiking, cycling, camping, fishing, and boating opportunities. The climate is temperate, allowing for outdoor activities year round. The airlines serving Little Rock now provide nonstop jet service to destinations including Atlanta, Baltimore/Washington, Charlotte, Chicago (Midway and O'Hare), Cincinnati, Dallas (DFW and Love Field), Denver, Detroit, Houston (Bush Intercontinental and Hobby), Las Vegas, Memphis, New York (Newark), Phoenix, and St. Louis.
