Simplifying Continuing Education...

!!ATTENTION!!

In an effort to begin taking full advantage of the technology available to us, as well as cut back on paper usage and mailing costs, **our department will no longer be advertising programs via "snail-mail".**

To continue to receive information on our upcoming programs:

Please contact us by mail, fax, phone, email, or via our website and ensure we have a valid Email address.

If you do not have access to Email but wish to continue receiving our flyers, please let us know so we can add you to our **limited** mailing list.

We invite you to attend any or all of the many programs scheduled for 2009. We look forward to continuing to serve your needs.
