2007 Breast Cancer Challenge

BIG CEDAR LODGE

612 Devil's Pool Road • Ridgedale, Missouri (Near Branson)

FEBRUARY 17-19, 2007

(President's Holiday Weekend)

Course Description

The conference provides a multidisciplinary overview of the diagnosis and treatment of all stages of breast cancer. Conference faculty includes experts in the field of surgery, oncology, pathology, radiology and radiation oncology. Our target audiences for this conference are surgeons, radiation oncologists, radiologists, mammographers, surgical oncologists, pathologists, medical oncologists, nurses, and radiology technologists from Arkansas, Oklahoma, Missouri and Kansas.

Learning Objectives

At the conclusion of this conference, participants should be able to:

- Understand the issues surrounding access to breast care.
- Review the current advances in breast imaging and diagnostic technology.
- Familiar with new insights about the role of chemotherapy in the treatment of breast cancer.
- Recognize the new approaches to radiation therapy and oncoplastic surgery.
- Understand the value of an integrated approach to the diagnosis and management of ductal carcinoma in situ
- Review the current updates on sentinel node biopsy and image-detected breast cancer.
- Realize the changing direction in the use of hormone replacement therapy.

Accreditation and CME Credit

Accreditation Statement

The University of Arkansas for Medical Sciences (UAMS) College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians.

Credit Designation Statement

The UAMS College of Medicine Office of Continuing Medical Education designated this activity for a maximum of 11.75 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Location, Travel, and Activities

Location

Big Cedar Lodge is spread throughout 250 acres in its own secluded hollow overlooking the clear sparkling water of Table Rock Lake. Big Cedar Lodge is approximately ten miles south of Branson, Missouri, 50 miles from Springfield, Missouri, 222 miles south of Kansas City, Missouri, 260 miles from St. Louis, Missouri, 170 miles from Little Rock, Arkansas, 236 miles from Tulsa, Oklahoma and Oklahoma City, Oklahoma is five (5) hours.

Travel Access

Participants can fly into Springfield-Branson Regional Airport (50 miles south to Big Cedar just off U.S. 65); private planes fly into Graham Clark Airport at Point Lookout, Missouri (7 miles south to Big Cedar just off U.S. 65) and fly into Boone County Municipal Airport in Harrison, Arkansas (25 miles north to Big Cedar just off U.S. 65).

Activities

Big Cedar Lodge combines the warmth and charm of a grand turn of the century hunting lodge with all the convenience of today. Personal attentive service and a breathtaking natural setting ensure a completely relaxing stay.

During your stay enjoy fishing, golf, swimming, horseback riding, tennis, sauna, the fitness center or a cruise. Experience a guided tram tour
crafted bridges, herds of elk, longhorn and bison and grant rainbow trout.

Dining at Big Cedar includes Devil's Pool Restaurant, Buzzard's Bar, Top of the Rock Restaurant and the Truman Steakhouse for breakfast. A Sunday Champagne Brunch is also offered in the Worman House, and reservations are suggested.

Children's activities to be organized by the onsite coordinator for Little Cedar Kids' Club based on calendar events for February.

DISCLOSURE POLICY

It is the policy of the University of Arkansas for Medical Sciences (UAMS) College of Medicine to ensure balance, independence, objectivity, and scientific rigor in all sponsored or jointly sponsored educational activities. All individuals who are in a position to control the content of the educational activity (course/activity directors, planning committee members, staff, teachers, or authors of CME) must disclose all relevant financial relationships they have with any commercial interest(s) as well as the nature of the relationship. Financial relationships of immediate family

members must also be disclosed, if the nature of the relationship could influence the objectivity of the individual in a position to control the content of the CME. The ACCME describes relevant financial relationships as those in any amount occurring within the past 12 months that create a conflict of interest. Individuals who refuse to disclose will be disqualified from participation in the development, management, presentation, or evaluation of the CME activity.
