TARGET AUDIENCE
This program provides continuing education for family practice and internal medicine physicians, nurses, and pharmacists.

PURPOSE
In 2014, the such and such society revised the diagnostic procedures and treatment guidelines for this disease. This activity is designed to provide the practicing physician with the updated recommendations for diagnosing and treating this disease.

OBJECTIVES
At the completion of this activity, participants should be able to:
- Objective 1
- Objective 2
- Objective 3

ACCREDITATION STATEMENT
The University of Arkansas for Medical Sciences College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

AMA DESIGNATION STATEMENT
The UAMS College of Medicine designates this educational activity for a maximum of 4 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

DISCLOSURE POLICY “It is the policy of the University of Arkansas for Medical Sciences (UAMS) College of Medicine to ensure balance, independence, objectivity, and scientific rigor in all sponsored or jointly sponsored educational activities. All individuals who are in a position to control the content of the educational activity (course/activity directors, planning committee members, staff, teachers, or authors of CME) must disclose all relevant financial relationships they have with any commercial interest(s) as well as the nature of the relationship. Financial relationships of the individual’s spouse or partner must also be disclosed, if the nature of the relationship could influence the objectivity of the individual in a position to control the content of the CME. The ACCME describes relevant financial relationships as those in any amount occurring within the past 12 months that create a conflict of interest. Individuals who refuse to disclose will be disqualified from participation in the development, management, presentation, or evaluation of the CME activity.”
