Creating an Account - Search for existing records

You may have existing attendance records from an older account. To transfer existing attendance records to your new email-based account, please provide your Last Name and Last 4 digits of your SSN, then click 'continue'.

Last Name Last 4 digits of SSN

IMPORTANT: In order to retrieve existing information, your last name must appear to be at least four characters in length. If your last name has three (3) or less characters, add X's to make a total of four (4) characters, i.e. LI becomes LIXX or ALI becomes ALIX.

Also, if you believe that you have an existing record, and your information does not come up on the following screen, EXIT out and do not continue. Email Marsha Taylor at MATaylor2@uams.edu or call the Office of Continuing Medical Education at (501) 661-7962 and ask us to check to see if you are in our system. We may not have the last four digits of your SSN or it may be incorrect. A misspelled name, missing or inaccurate last 4 digits of your SSN will cause a recognition error. If you continue, you will build a second profile and your attendance may not be correctly recorded.
