UAMS Offers a **PROVEN PROGRAM** to Help You Treat Tobacco Use and Dependence

This program will equip you with practical tools to work with tobacco users. You will learn strategies tailored to your patient's level of motivation. You will feel confident that you are helping tobacco users in the most effective way.

- Training in evidence-based treatments at your location...
at your convenience
- Easily integrated into your office or clinical setting
- This activity has been approved for *AMA PRA Category 1
Credif™*.

- We will help tailor the training to your setting
- All services **FREE** of charge

This a great opportunity. Learn evidence based strategies. Help contribute to a healthier community. To register, to schedule a training or to receive online training, visit

www.uams.edu/treattobacco.
