Discover a True Sense of Place

In your suite on Regent Seven Seas Cruises, nothing will pass you by while you enjoy the ever-changing views from your oceanview suite or your own private balcony. The suites are casually elegant and exceptionally spacious. There's a comfortable sitting area, a walk-in closet and marble bath with a full tub and shower. The highly-trained staff maintains your suite in immaculate condition. While in the higher categories, a Butler makes your stay even more welcoming and effortless.

Unsurpassed Service is Revealed in Every Detail

Considering Regent Seven Seas Cruises has one of the best service ratios in the cruise industry, you are sure to feel exceptionally well cared for throughout your voyage. You will notice the difference as soon as you step aboard with the fresh flowers and chilled champagne that greet you in your suite.

The Finest Cuisine the World has to Offer

Seven Seas Navigator offers a choice of three restaurants including the casual Pool Grill:

The Compass Rose - International a la carte menu and open seating.

Portofino il Ristorante - Regional Italian specialties served in a casually elegant yet festive indoor/outdoor atmosphere. Open seating for breakfast and lunch. Reservations-only for dinner.

Pool Grill - Casual dining. Deli-style option for lunch and afternoon snack.

No additional charges for any restaurant.

Activities - Anything You Like and Desire

With so many things to do and places to see, you won't have far to look for relaxation or enrichment. Simply spend the day renewing body and mind.

Choose a book from the library and relax in a deck chair, soaking in the salt air and sunshine. Strengthen your resolve and your inner core at a Pilates class, or lift weights in the fitness center. Plunge into the pool or jog around the deck with spectacular scenery. A variety of enrichment programs are offered on various cruises. A multitude of activities may also pique your interest, including contract bridge, computer classes and art auctions.

Find Your Inner Bliss and Awaken Your Senses at Carita

The ships are the exclusive shipboard home to the award-winning Carita of Paris spa, one of the most upscale spas in the world. Carita offers a luxurious refuge from everyday stress, with an array of therapies based on a unique fusion of science and nature. Experience a true sense of renewal as you escape with Regent Seven Seas Cruises.

Some Enchanted Evening Will Win Your Heart Again

In the plush two-tiered Show lounge, the nine-piece Regent Signature Orchestra creates concert-quality music for an exhilarating array of productions. For those in the gaming mood, a few hands of blackjack in the elegantly appointed Casino are the perfect draw. Whatever you choose for your own personal version of enchantment, it's sure to be an unforgettable evening.
