AN INVITATION FROM THE DEAN

As Dean and as a proud College of Medicine alumna, I encourage you to “participate in the vision.” A strong desire to do just that is why my husband and I have given to the College of Medicine for many years.

The generous contributions of Dean’s Society members bolster our ability to provide resources when and where they are needed most. Our students benefit tremendously from these flexible gifts, which support scholarships, events such as the White Coat Ceremony that help instill professionalism, and many other worthy projects.

Excellent stewardship of all gifts is, needless to say, of paramount importance to me. I want to express my gratitude to you not only for sharing your resources, but also for entrusting me to allocate your contributions to meet special challenges and unique opportunities.

Debra Fiser, M.D.
Dean, College of Medicine
