COLLEGE OF MEDICINE

UNIVERSITY OF ARKANSAS FOR MEDICAL SCIENCES

UAMS Medical Alumni Association  
4301 W. Markham St., #642  
Little Rock, AR 72205

The UAMS College of Medicine has been committed to outstanding teaching, clinical care, research and service since 1879. It all started with eight physicians who had the foresight to establish a desperately needed medical school in Little Rock. Our founders started with a mere 22 students and few resources.

Today we have more than 600 students, and we remain Arkansas' sole medical school. Arkansas' and the nation's health care needs are growing rapidly. We are striving to respond by educating more physicians.

Like our original founders, members of the College of Medicine Founders Society recognize our school's critical role in improving the health of Arkansans today and for generations to come. The generous contributions of Founders Society members help us fulfill that vital role.

## JOIN THE FOUNDERS SOCIETY

Members of the Founders Society share our most ambitious plans for the future. They are invited to an annual meeting to learn about progress in the College of Medicine and to allocate proceeds from the Founders Society endowment.

### WAYS TO GIVE

- ☉ Cash gift or pledge of \$10,000 to the COM Founders Society Endowment (*gift agreement up front; up to 3-year repayment period*)
- ☉ \$25,000 planned gift (*securities, bequest, life insurance, annuity trust, remainder trust*)

*The Founders Society has funded educational tools that our original founders couldn't possibly have imagined, such as the sophisticated, full-size SimMan patient simulator.*
