

# ALUMNI WEEKEND

2009

UNIVERSITY OF ARKANSAS FOR MEDICAL SCIENCES  
COLLEGE OF MEDICINE  
AUGUST 28-29, 2009

## AN INVITATION FROM THE DEAN

Please join us for the exciting and informative activities planned for Alumni Weekend 2009. We honor alumni who graduated in years ending in "4" and "9."

The traditional Golden Graduates reception will be held on Friday evening just prior to dinner. Your class agents are planning special activities for each of the reuniting classes that evening. These were a big hit when we introduced them last year!

On Saturday, you can tour our rapidly changing campus, the new hospital and the Center for Clinical Skills Education, where you'll watch a demonstration of the amazingly lifelike SimMan patient simulator. After the tours, a luncheon will be held in the new I. Dodd Wilson Education Building at noon, and then you can visit the Clinton Presidential Library if you choose.

We are especially excited about the new locale for our all-class party on Saturday evening. We're going to the Arkansas Arts Center for a great night of visiting the galleries, dancing to a jazz combo and reminiscing. See you there!
