

MD/MBA Combined Degree Program

The UAMS College of Medicine and the UALR College of Business are pleased to announce, beginning in the Summer of 2005, the offering of a combined MD/MBA degree program that will permit students to enroll concomitantly in both the College of Medicine and the College of Business and complete all requirements for both degrees in approximately a five to six year period of time.

Interested students should review the curricular requirements and administrative policies and procedures document found on our web site. Also, before attempting to enter this program, the potential applicant should meet with the Executive Associate Dean for Academic Affairs in the College of Medicine and the Associate Dean for Graduate Studies in the College of Business. It is necessary to obtain admission separately to the MD program and MBA program and then file a Declaration of Intent to Pursue Combined Degrees, according to the procedures found in the administrative policies, to participate in the combined degree program.
