President Michael Smith ('78) hosted a leadership meeting of the College of Pharmacy Alumni Association on Saturday, June 12 during the recent APA Convention in Little Rock. At that meeting the Board approved recent appointments to broaden and deepen the leadership resources of your Association. These additions represent another completed step in the growth of a strong and representative organization.

The Bylaws envision a structure to ensure the broadest possible representation of alumni. The places are now completely filled, with the addition of District Representatives and Out-of-State Representatives to the Board. In one case, President Smith has already identified Representatives-Elect, who will begin preparing to serve in a year as District Representatives.

The full slate of Representatives is as follows:
Northwest Arkansas: John Vinson ('04) of Fort Smith and Gabe Roy ('04) of Fayetteville
Northeast Arkansas: Paul ('99) and Jessica ('99) Bullington of Jonesboro
Central Arkansas: Jason Hawkins ('98) and Kelly Thomas ('95)
South Arkansas: Ed Pat ('93) and Betsy ('94) Wright of Helena and Julie Petty ('01) of McGehee
Out-of-State: Sara Beth Richardson ('02) of Memphis, TN and Lise Liles ('02) of Texarkana, TX

In addition, two pharmacists have agreed to be Representatives-Elect for Central Arkansas: Kristin Riddle ('02) of Greenbrier and Summer Washam ('02) of Conway.

Please let these new Board members know that you are glad of their willingness to serve. Keep in contact with your Association through them. Look for them to be in touch with you, in planning for an active and meaningful Alumni Association.
It’s summer, but the pace has not slowed at the College of Pharmacy. The faculty are completing the 5-year strategic plan for the College. The Department of Pharmacy Practice is having a retreat in August to work on curricular issues and the entire College faculty will be meeting for a one and one half day seminar to better prepare them to recognize the signs of substance abuse and to understand appropriate intervention strategies.

We are also updating our facilities this summer. New carpet will be laid throughout the 6th floor and much needed equipment and furniture is being secured. We’re working on a plan to expand into new space and hope by the first of the year to be able to host an open house so that all the alumni can come back and see the progress that has been made.

Updating our facilities is important, but it’s the faculty and students that make our College excellent. Even during the last few months, students have continued to be active in providing care. A screening health fair was conducted during June by students who volunteered their time to check blood pressure and blood glucose of over 100 participants at a local pharmacy. Dr. Denise Hopkins also contributed to improving the care of diabetic patients in Arkansas by securing a grant from the March of Dimes that would allow her to provide glucose strips and monitors to patients needing financial assistance.

Another summer activity of note is the acceptance of a new class of pharmacy students. Ninety new students have been accepted for Fall admission and bring with them immense talent and considerable diversity. We’re excited about making them part of our pharmacy family.

I hope that you have an enjoyable summer. As always, please stay in touch.

Dr. Denise Hopkins (‘95) pictured above at right, received a $12,000 grant from the March of Dimes of Arkansas at their fourth annual awards luncheon recently. The March of Dimes focuses on preventing birth defects and infant mortality. The grant will help at least fifty women pay for supplies such as insulin to manage diabetes.

Carter Veteto was born in South Korea on November 11, 2003 and arrived at the home of proud parents, Jeremy (‘99) and Kristen (‘97) Veteto on April 13, 2004.

Lillian “Lily” Blair Bullington, daughter of Paul and Jessica Evans Bullington (both class of ‘99) was born April 14, 2004 and weighed 7 pounds and 4 ounces.

Ezekiel Gavin McCain, son of Keith (‘00) and Jennifer McCain, was born March 24, 2004 and weighed 9 pounds and 6 ounces.

Owen Linton Fellers, son of Chad (‘01) and Ronni Fellers, was born June 10, 2004 and weighed 7 pounds and 6 ounces.
Summer vacation is here! Picnics, vacations, traveling to see family and friends, fun and fellowship at the annual APA Convention and Alumni Vacation/C.E. trips are a few of the many activities we can enjoy! This will be the first full summer for the Alumni Association since we began the planning phase in late July 2003.

Our membership has grown to over 400 with the addition of 80 new graduates. They will receive free membership until the annual renewal date of March 15, 2005. We wish to extend a warm welcome to all of our new members. My hope is that you are encouraged by what we are building and continue your membership and encourage others to do likewise. In the words of a popular song from the ‘70’s, “We’ve Only Just Begun”.

Many thanks to our original Charter Committee members that made the time and gave a tremendous effort to write our Mission Statement, By-Laws, Membership Applications and made our vision become reality. The Alumni Association is grateful to our members who joined from the very start. Your courage and faith in building this organization has been an inspiration.

We also want to welcome our newly appointed District and Out-of State Representatives. They have each volunteered to help coordinate special events in their area, i.e. tailgate parties, golf tournaments, reunions as well as help network with other area alums to provide current news and developments for the newsletter. A list of the District and Out-of-State Representatives is printed in this newsletter.

Our first annual Leadership Luncheon was held at the Doubletree in Little Rock on Saturday, June 12th in conjunction with the annual APA Convention. We appreciate the assistance and hospitality extended to us by the APA leadership and staff. Our Leadership Luncheon provided us the first opportunity to meet with the complete AA Board of Directors as specified by our Bylaws. We had a tremendous response with many ideas and future plans.

Be sure to note the dates and times of the many Alumni events we have planned in the near future: Alumni Vacation/CE to Orange Beach, Alabama in August, Reunion/Tailgate Party/Golf Tournament in Little Rock in September, and our annual Fayetteville Tailgate Party. Also, we will be attending the AAHP Fall Seminar in October.

Remember our motto: Fun, fellowship and networking. Have a GREAT SUMMER!

At the leadership meeting of the College of Pharmacy Alumni Association, President Mike Smith suggested appointment of our first committees. The Board agreed to establish two small committees to assist with particular areas of member interest. The first, Continuing Education, will work with Dr. Cindy Stowe, the College of Pharmacy CE Director. Its initial members are: Eddie Buerkle (‘78), Scott Pace (‘01), Tonya Robertson (‘96) and Kevin Robertson (‘96). The second committee, Communications, will include Richard Knoll (‘63 and ‘78), Ross Vanderbush and Sue Frank (‘74). The committee will work with Dr. Jon Wolfe (‘77) in his new role as Associate Dean for Development & Professional Affairs.

The added committees provide new resources to assist President Smith. They also add new links between the Board and the College of Pharmacy. The Bylaws allow appointment of further committees as need arises. Every member is welcome to suggest areas where extra resources are needed. Every member is also invited to consider what committee service fits his or her current interests and time resources. The more members who take a hand in the Association’s work during these formative months, the stronger the group will be.

In that light, remember that the Board serves as the Nominating Committee for new officers. We plan to present a slate in early Spring. If you want to serve as President-Elect, Secretary, or Treasurer, contact Michael Smith or any other Board member.
A Most Enjoyable Day at the Races

Oaklawn Jockey Club provided a real Arkansas welcome for College of Pharmacy Alumni on Sunday April 4. The scene was the Arkansas Room on the top level of the Club building where members were greeted by Dean Stephanie Gardner and by our host for the day, Tommy O’Donell (’59) of Morrilton.

The room offered big-screen television views of the racing action, along with our own beverage service area and private pari-mutuel window. A few steps outside the Arkansas Room stood a masterfully presented buffet luncheon.

The feature race that day, the UAMS Alumni Classic, offered a rare treat for our party. We were taken through the paddock to trackside at the finish line where we heard the bugler play “Call to the Post” up-close, and watched the post parade from track level. The biggest thrill was surely having a participant’s vantage to watch the stretch run and finish. Ciel Classic, carrying Number 7 and jockey Justin Shepherd, won handily. Dean Gardner presented the trophy to Billy Stone and Jack Wright, the owners, and trainer Jim Gaston in the Winner’s Circle.

Several winning tickets were cashed and the party continued through the remainder of the racing card. The Alumni Association looks forward to a repeat next spring. Thanks again Tommy!

Scot Walker (’96) reports that he will have an article published in the July/August issue of JMCP describing how he employed to limit the increase in pharmacy expenditures while working as part of a seventy physician primary care group. He also will have a book titled “Effective Pharmacotherapy” published by Facts and Comparisons in July.

Alan F. Kaul (’02), President of Medical Outcomes Management in Foxboro, Massachusetts was recently appointed to the Editorial Board of Disease Management, a peer-reviewed journal that addresses current clinical and business developments in the disease management industry.

Don Johnson (’94) recently announced his retirement as Chief of Pharmacy Services at the McClellan Veterans Healthcare System. Don posted an excellent record in leading the pharmacy staff at one of the nation’s largest VA Medical Centers. Don begins a new job as Pharmacy Director at Rebsamen Memorial Medical Center in Jacksonville.
Dr. Cherng-ju Kim will join the faculty July 1, 2004 as Associate Professor of Pharmaceutical Sciences. Dr. Kim received his B.Eng in Chemical Engineering from Korea University in Seoul, Korea, his M.Eng in Environmental Science and Engineering from Manhattan College in Riverside, NY and his Ph.D. in 1984 in Chemical Engineering from McMaster University in Hamilton, Ontario, Canada. After working in industry for several years, he became a Research Associate in the Faculty of Pharmacy at the University of Toronto and subsequently joined the School of Pharmacy at Temple University as an Assistant Professor. He was promoted to Associate Professor and Director of Graduate Studies at that institution in 1998 and served in those roles until 2002 when he moved to Loma Linda University School of Pharmacy as Associate Professor and Chair of the Department of Pharmaceutical Sciences. Dr. Kim has received several teaching awards at Temple and Loma Linda, and has trained four graduate students as their major advisor. His research, which has been funded by multiple sources, focuses on drug delivery systems and has resulted in more than 60 published papers and three patents. Dr. Kim will teach pharmaceutics in the professional and graduate degree programs. We are excited to have been fortunate enough to recruit him and look forward to his arrival.

Pharmacy Practice Department News

The Department of Pharmacy Practice wishes Drs. Mark S. Luer and Scott A. McConnell, well in their future endeavors. After eight years at UAMS, Dr. Mark Luer accepted the position of Professor and Chair in the department of Pharmacy Practice at the Southern Illinois University Edwardsville School of Pharmacy. After six years at UAMS as both a Fellow and Assistant Professor, Dr. Scott A. McConnell accepted a position at his alma mater, Creighton University School of Pharmacy.

Department faculty have received many awards and accolades in the past four months. In March, Drs. Jan Hastings (’78 and ’94), Donna West and John Kirtley (’02) won the APhA-APPM Presentation Merit Award for their poster at APhA Annual Meeting in Seattle. This spring, Dr. Hastings was also appointed to the Journal of the American Pharmacists Association Editorial Advisory Board. In April Dr. Kat Neill (’00) was selected as one of only six Critical Care Specialists nationwide to participate in the ASHP Critical Care Traineeship. Dr. Song Hee Hong won the Best New Investigator Podium Presentation award at the 9th Annual Meeting of the International Society for Pharmacoeconomics and Outcomes Research held in Arlington, VA in May. Congratulations to all on their accomplishments!

Dr. Mike Parr, Director of Pharmacy Services at the University Hospital of Arkansas and a member of the College of Pharmacy faculty, recently drew statewide attention for his remarkable role in settlement of a significant price-fixing case. Many of you saw that Arkansas received a total of $781,879 from the 50-state settlement announced on June 9 by Arkansas Attorney General Mike Beebe. UAMS Chancellor I. Dodd Wilson joined Dr. Parr and Attorney General Beebe at a ceremony that day surprised the audience by announcing that UAMS’ share of the settlement would amount to $541,495. This represents the largest single per capita sum for any state hospital in the country.

UAMS had been guaranteed $70,000 from the settlement, but Mike was convinced that his drug receipts and purchase records would qualify for much more. Attorney General Beebe was quoted as saying, “Dr. Parr had unbelievable records an unbelievable work ethic and an unbelievable ability to help our lawyers understand and get stuff together.” The Attorney General repeated that assessment on Saturday at the APPAC meeting during the Arkansas Pharmacists Association Convention.

Mike Parr would deny that he did anything extraordinary. However, by doing what pharmacists do every day – work carefully, keep accurate records, maintain awareness of the costs of care – he has provided an example of how much pharmacy has to contribute to controlling healthcare costs. He has also shown anew how generations of pharmacists in this state have earned the respect they continue to enjoy.

Drs. Trey (’98) and Sheri (’97) Gardner welcome APA Convention visitors to the UAMS College of Pharmacy Alumni Association booth.
Student Activities

Forty-one student members of the Academy of Student Pharmacists at UAMS attended the APhA-ASP annual meeting in Seattle this spring. Students attended a wide variety of programs and events. Melissa McCullough served as Chapter Delegate. Trey Crumby was the recipient of the APhA Student Leadership Award — one of only four nationwide recipients. Two of our Chapter members began their terms on National Standing Committees. The UAMS chapter received the following awards and recognitions: APhA-ASP Chapter Policy and Legislative Award, 2002-2003; Operation Immunization Region 6 Award Recipient; Operation Immunization Certificate of Recognition; APhA-ASP Membership Bonus Award for achieving 80 to 89% eligible students in their membership; APhA-ASP Certificate of Recognition for meeting all requirements for participation in the 2002-2003 Chapter Achievement Award Program. Pictured below are UAMS students displaying the awards received by our ASP chapter.

The ASP chapter sponsored our first annual APhA-ASP Professionalism Pinning Ceremony for third year students preparing to enter their senior clerkships. The purpose of this ceremony was to recognize the students transition from didactic learning to patient care, and to emphasize professionalism. Following an address by Dean Gardner, each third year student was individually recognized and pinned with an Arkansas Pharmacy Professionalism lapel pin. Our final event was the presentation of the Charles K. Born Professionalism Award. This new annual award, sponsored by our Chapter, was presented to Dr. Charles K. Born (’67), long-time faculty advisor of APhA-ASP at the University of Arkansas. The Pinning Ceremony was conducted entirely by the newly elected 2004-2005 APhA-ASP Executive Committee. Shown below is P3 student John Ekstrand receiving his lapel pin from Dean Gardner.

At the April 14th joint ASP-NCPA chapter meeting, the featured speaker was Congressman Marion Berry (’65). Congressman Berry spoke to students and faculty about a wide variety of issues, with particular emphasis placed on the Medicare Prescription Drug Benefit. The Congressman stressed the importance of being politically active as future pharmacists. Pictured below are P3 student Stephen Carroll, chapter advisor Dr. Eddie Dunn (’79 and ’94), Congressman Berry and P2 student and NCPA President, Amy Bloodworth.
APhA Academy of Pharmacy Practice and Management

The following UAMS College of Pharmacy faculty have been notified that they will be slated for officer positions in the American Pharmacists Association Academy of Pharmacy Practice and Management for 2005-2006. Dr. Nicki Hilliard (‘83 and ’96) will be running for the APhA-APPM Executive Committee Member-at-Large. Dr. Jan Hastings (’78 and ’94) will be running for the Chair-elect for the Specialized Pharmaceutical Services Section. Dr. John Kirtley (’02) will be running for New Practitioner in the Specialized Pharmaceutical Services Section. They all request your support as they seek these offices in APhA.

Arkansas Pharmacists Association Names Dean Gardner Pharmacist of the Year

The Arkansas Pharmacists Association honored Dean Stephanie Gardner with its highest award during the recent Convention in Little Rock. Her citation for the award notes that the Association Board annually chooses a recipient, “… who has demonstrated outstanding professional leadership.” The citation also noted her length of service at UAMS, her distinction in scholarship, and her many awards for excellence in teaching. APA President Gary Fancher presented Dean Gardner with the award on behalf of the APA. In accepting the award, Dean Gardner noted that we are in the midst of a process that may greatly improve education and the practice of pharmacy in Arkansas. Closing with a personal reflection, she recalled a student asking how she could achieve at such high levels in her career, play a positive role in public policy formation and still have a family. Dr. Gardner responded by saying “You must marry wisely. I married wisely.” The award obviously honors a colleague who understands more than simply pharmacy.

Senator John Kerry visits UAMS Campus

Pharmacy student Stephen Carroll meets Presidential candidate Senator John Kerry during his recent visit to Little Rock and UAMS.

Alumni Association at APA Annual Meeting

The Arkansas Pharmacists Association was a very generous host to the College of Pharmacy Alumni Association at the recent Convention. The APA provided us a table in the registration area of the Doubletree Hotel at no charge. We also had the use of APA’s meeting room for our Leadership Lunch on Saturday. We want to thank Mark Riley (’77 and ’98) and the APA staff, especially Barbara McMillan, for their hospitality.
Reunion Weekend 2004

Honoring College of Pharmacy
Golden Anniversary Class of 1954
Silver Anniversary Class of 1979

FRIDAY, September 17th

CLASS RECEPTIONS, 6:30 PM, &
ALUMNI BANQUET, 7:30 PM
Cocktails at 6:30 PM with a cash bar and dinner
at 7:30 PM at The Holiday Inn Presidential Conference Center. This party is for all graduates of hon-
oree classes, faculty, spouses, and guests. $40.00 per
person.

SATURDAY, September 18th

CONTINENTAL BREAKFAST & CONTINU-
ING EDUCATION, 7:30-8:00 AM
Ground Floor Foyer, College of Public Health
Building, UAMS. Coffee, juice, and pastries will be
served.

CE SESSION, 8:00-10:00 AM
Dr. Jan Hastings & Dr. Dana Woods
Bio-Identical HRT
Smoking Cessation
Pauly Auditorium, Room G219, College of Public
Health Building, UAMS.

UAMS CAMPUS GUIDED TOURS
10:30-11:30 AM
Tour of the UAMS College of Pharmacy educa-
tional facilities. Student leaders in our current classes
will show you the present facilities, and areas of
planned expansion.

SPOUSE/GUEST TOUR OF ARKANSAS
ARTS CENTER, 1:00 – 2:00 PM
A docent will guide you through the galleries.
The Arts Center is located in MacArthur Park, conve-
niently close to the Holiday Inn Presidential.

TAILGATE PARTY
3:30 PM - Gametime
Barbecue Dinner served in a tent located conve-
niently near War Memorial Stadium. Come for fel-
lowship, and get ready to cheer the Hogs at their 6:00
PM kickoff against the Indians from University of
Louisiana/Monroe. $10.00 per person.

SUNDAY, September 19th

GOLF TOURNAMENT, Harbor Oaks Golf
Club, PINE BLUFF, ARKANSAS
Sponsored by the College of Pharmacy Alumni
Association -- President Michael Smith invites you to
tee off at this beautiful facility, located a short drive
down the freeway in Pine Bluff. Noon luncheon fol-
lowed by 1 pm tee time.

For Registration and Information about
Alumni Reunion Weekend 2004, Please
contact:  Dr. Jon Wolfe, Associate Dean,
686-6498 or email jjwolfe@uams.edu

Dean Gardner Honored
With Merck Award

Dean Stephanie Gardner received a sur-
prise during the Friday morning Awards Cer-
emony during the recent Arkansas Pharmacists
Association Annual Convention. Dr. Sue
Frank (’74) petitioned Merck & Company to
consider an extraordi-
nary award that would
recognize Dr. Gard-
ner’s strong commit-
tment to ethics and ser-
vice to others. Merck
agreed, and our Dean
became the recipient
of the Merck Award for Outstanding Achievement in
the Profession of Pharmacy.

Department of Pharmacy Practice Welcomes New Faculty

The Department is happy to announce that Dr. Michael D. Bradley has joined our faculty as an Assistant Professor. Dr. Bradley will work in the Endocrinology and Pulmonary Medicine Clinics in the UAMS Ambulatory Care Center. Dr. Bradley received his Pharm.D. from Xavier University of Louisiana in New Orleans, LA in May 2003. As a student he was actively involved in several community service activities and student organizations including the American Society of Health-System Pharmacy and the Academy of Student Pharmacists in which he was a delegate and chapter president. He is a member of Phi Lambda Sigma Pharmacy Leadership Society and Kappa Psi Pharmaceutical Fraternity, Inc. Dr. Bradley will complete his one year pharmacy practice residency at the University of Alabama Hospital in Birmingham, AL in June of 2004. We are confident that Michael’s enthusiasm and passion for primary care practice will augment our practice and teaching efforts in ambulatory care. More importantly, to the benefit of our students, his appointment will expand our rotation sites in ambulatory care. Michael is a native of Atlanta.

College of Pharmacy students were surprised by “Survival Bags” containing candy, popcorn, sodas, etc. to help alleviate the stress of final exams at the end of the spring semester courtesy of the Alumni Association. At left, President Mike Smith and Paulette Williams of the Dean’s Office prepare the bags for distribution to the students.

The students were most appreciative of the thoughtful gesture and put the items to good use before leaving for their summer break.

The Alumni Association has involved the pharmacy students in many activities over the course of the past year. This builds a good foundation for future membership and active participation in the Association. All eighty of the students graduating this May were given memberships to the Alumni Association for the next year.
