*This CE activity will be Application based.

Presented by: Jill Johnson, Pharm.D. – Associate Professor, UAMS College of Pharmacy

Upon completion of this lecture, the participant should be able to:

- Compare and contrast the advantages and disadvantages of using methadone as an alternative to the other opioid analgesics.
- Discuss the QT prolongation induced by methadone.
- Review appropriate dosing and conversions to methadone.

The University of Arkansas for Medical Sciences College of Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of Continuing Pharmacy Education.
ACPE# 004-000-09-(034-037)-L01-P

Continuing Education Credit: This program is open to all pharmacists. No refunds can be made for cancellation after **10/16/09**. A \$5.00 handling fee will be charged on all refunds. This program provides pharmacy participants up to 6.0 contact hour(s). To receive credit, the pharmacy participant must follow the attendance procedure of the program and complete all program evaluation forms. If the attendance documentation is illegible then no statement of credit can be issued. Credit will be given based on percent of attendance down to the 1.0 contact hour(s). Statements of credit will be mailed to participants by the UAMS COP CE office within 4-6 weeks after completion of the program.

Grievance Procedure: This procedure represents a formal mechanism whereby any pharmacist may obtain a review of a complaint of unfair treatment. A pharmacist must file the grievance in writing within 30 days of the incident/activity generating the complaint. The complaint will be reviewed by the Director of Continuing Education and every effort will be made to resolve the problem of the complainant. If the complaint is not satisfactorily resolved, the complaint will be forwarded to the UAMS COP Dean for disposition.

Minimum of 50 pre-registered participants required by October 9, 2009. Pre-registration must be postmarked by October 2, 2009. Program pre-registration -- \$75.00; after October 2, 2009 -- \$85.00.
