

Question(s)

How do I upload video to a Wimba Classroom?

Answer(s)

- The best way to display video in the Wimba Classroom is to upload your video to a streaming server and then link to it from the Wimba Classroom.
- Teacher Tube is a free online server where you can upload videos. [Click here to visit teacher tube.](#)
- To add a hyperlink to your Wimba Classroom visit the tutorial ["Uploading New Content into Your Wimba Classroom."](#)
