Continue

Diagram

The diagram illustrates the steps to create a Wimba Classroom link in Blackboard 8.0. It shows the following sequence of actions:

- Step 1:** The user is on the **Home Page**. The **Add Content Link** button is highlighted with a red arrow.
- Step 2:** The **Add Content Link** dropdown menu is open, and the **Wimba Classroom** option is selected with a red arrow.
- Step 3:** The **Wimba Classroom** submenu is open, and the **Create Wimba Classroom** button is selected with a red arrow.
- Step 4:** The **Create Wimba Classroom** dialog box is shown. The **Title** field contains the text "Class I Archive". The **Continue** button is highlighted with a red arrow.
