

Renaming the Titles of Powerpoint Slides

Directions

1. Under the **Teach** Tab, Select the Wimba Classroom where your slides are located
2. Select **Add & Manage Content**
3. Select **Add & Manage Room Content**
4. Select the Folder where you want your slides located
5. Enter a new name for your Slide and Select

Save Changes

Diagram

The diagram illustrates the steps to rename a slide in a Wimba Classroom. It shows the 'Wimba Classroom' header, a navigation menu with 'Add & Manage Content' selected, and the 'Add & Manage Content' sub-menu with 'Add & Manage Room Content' selected. Below this is a table of folders, and a table for modifying content with a 'Save Changes' button.

Wimba Classroom

[Add to Calendar](#) | [Add & Manage Content](#) | [Edit Settings](#) | [View Records](#)

Add & Manage Content

Menu

[Add File Manager Content to the room](#)
Upload a file from the File Manager into the Room

[Add & Manage Room Content](#)
Add new content and/or manage existing Room content

Presentation Content

Select a folder from the list to modify its contents:

Folder Title	Slide Co
Default Content Folder	1 slide
Snapshots	1 slide
New Folder	1 slide

Modify your content list using the table below: [Show Content Descriptions](#)

Filename/URL	Edit #	Title	Target
<input checked="" type="checkbox"/> homer_edited_1.bmp	1)	slide presentations	Branding Frame
