

Question(s)

Other users cannot hear me when I speak into the microphone.

Answer(s)

- Ensure that you are holding down the **Ctrl** key or clicking the **Talk** button when speaking.
- Unplug your microphone and plug it back in. If prompted make sure you select **Microphone In** and not Line In.
- Ensure that your hardware and volume setting are correct. and that you don't have your volume muted. Click on the  button to access your computer's volume controls.
- Exit and then re-enter the Wimba Classroom.
