

Adding Questions Sets to an Assessment

Directions

1. From the **Build** tab,
2. Click on **Assessments**
(Under course tools)
3. Click on the assessment you are modifying.
4. Click on **Add to Assessment**
5. Select Question Set

Diagram

The diagram illustrates the steps to add a question set to an assessment in a Learning Management System (LMS). It shows the following sequence of actions:

- Build Tab:** The user is in the 'Build' tab, with 'Teach' and 'Student View' tabs also visible.
- Course Tools:** Under the 'Course Tools' menu, the 'Assessments' option is selected.
- Assessments List:** A table of assessments is shown with columns for 'Order' and 'Title'. The 'LD Test' assessment is selected.
- LD Test Detail:** The 'LD Test' detail view is shown, with the 'Add to Assessment' button highlighted.
- Add to Assessment Dialog:** A dialog box is shown with the 'Add to Assessment' button selected, and the 'Question Set' option is chosen from the dropdown menu.
