

To All UAMS Employees:

It is time once again for the annual UAMS Community Campaign. This year we are pleased to announce that the UAMS Family Home is eligible for payroll deductions. So as you consider whether to give a gift now or make your pledge for 2008, you may either select the UAMS Family Home (below) or you may designate the United Way agency of your choice on the reverse side of this letter. Once you've completed the form, please return to UAMS Community Campaign, # 564-1, (Human Resources). Payroll deductions will begin in January, 2008 and continue through that calendar year.

The UAMS Family Home

The UAMS Family Home is an independent, non-profit organization which provides lodging to outpatients receiving cancer treatment at the Winthrop P. Rockefeller Cancer Institute and to parents whose premature babies are in the neonatal intensive care unit at UAMS Medical Center.

This family home provides more than room and board. It is truly a home way from home offering emotional support and activities for the temporary residents. The home is staffed by a coordinator and volunteers and offers educational activities as well as a garden for meditation, a resource library and a large comfortable great room for social and support activities.
