26th Annual
Arkansas Orthopaedic Forum

Friday, Sept. 10, 2010
7:30 a.m. - 4:15 p.m.
Reception - Country Club of Little Rock
6:00 p.m. - 8:00 p.m.

Jackson T. Stephens Spine and Neurosciences Institute
Fred W. Smith Auditorium - 12th Floor
University of Arkansas for Medical Sciences
Little Rock, Arkansas

The Carl E. Nelson Distinguished Visiting Professor
Sponsored by
Arkansas Orthopaedic Forum

The seminar will be held in the Fred W. Smith Auditorium in the Jackson T. Stephens Spine and Neurosciences Institute on the UAMS campus. The Stephens Spine and Neurosciences Institute is located at the comer of Sixth Street and Jack Stephens Drive (formerly Elm Street).

Registration Fees
There is no charge to attend the seminar, but registration is required. To register, please e-mail Linda Bunting at buntinglindaj@uams.edu or call (501) 686-7812.

Course Objectives
Following this activity, the participant should be able to:
• Discuss the major changes that have occurred in trauma care since 1970.
• Identify the underlying changes in other fields which allowed these changes in trauma care.
• Explain the biomechanics of lower leg through the foot which affects success of arthroplasty.
• Identify the criteria for choosing arthroplasty versus fusion.

Target Audience
This seminar is designed for orthopaedic surgeons, trauma surgeons, nurses, medical students, researchers and anyone interested in surgery of the foot and ankle and traumatology.

Accreditation Statement
The University of Arkansas for Medical Sciences (UAMS) College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

AMA Designation Statement
“UAMS College of Medicine designates this educational activity for a maximum of 5.75 AMA PRA Category 1 Credit(s) ™. Physicians should only claim credit commensurate with the extent of their participation in the activity.”

Disclosure Policy
To be in the policy of the University of Arkansas for Medical Sciences (UAMS) College of Medicine to ensure balance, independence, objectivity, and scientific rigor in all sponsored or jointly sponsored educational activities. All individuals who are in a position to control the content of the educational activity (authors/teachers, editors, planners, committee members, staff, teachers, or authors of CME) must disclose all relevant financial relationships they have with any commercial interest(s) as well as the nature of the relationship. Financial relationships of the individuals’ spouses or partner must also be disclosed, if the nature of the relationship could influence the objectivity of the individual in a position to control the content of the CME. The ACCME defines relevant financial relationships as those in any amount occurring within the past 12 months that create a conflict of interest.

FACULTY

G. Troy Atchison, M.D.
Arkansas Specialty Orthopaedics
Little Rock, AR

James Aronson, M.D.
Professor, Dept. of Orthopaedics
Chief, Pediatric Orthopaedics
Arkansas Children’s Hospital
Director, Laboratory for Limb Regeneration
Research ICH Research Institute
UAMS College of Medicine
Little Rock, AR

Theresa O. Wyrick-Glover, M.D.
Assistant Professor
Division of Hand and Upper Extremity Surgery
UAMS College of Medicine
Little Rock, AR

Sigurd T. Hansen, Jr., M.D.
Professor and Chairman Emeritus
Dept. of Orthopaedics & Sports Medicine
University of Washington
Professor
