FEATURED SPEAKER
Bruce Wenig, M.D.
Chairman, Department of Pathology and Laboratory Medicine, Continuum Health Partners of New York (Beth Israel Medical Center, St. Luke’s-Roosevelt Hospitals; Long Island College Hospital), New York, NY

Dr. Bruce Wenig is a world-renowned surgical pathologist with expertise in head and neck pathology. After a residency and fellowship at Cedars-Sinai Medical Center in Los Angeles, Calif., Dr. Wenig completed his training at the Armed Forces Institute of Pathology as a Callender-Binford Fellow in the Department of Otolaryngic Pathology. He subsequently rose through the ranks at the AFIP to become Chief of the Division in 1991. Dr. Wenig is currently chairman of the Department of Pathology and Laboratory Medicine at Continuum Health Partners of New York. He has authored over 150 articles and book chapters and has been involved in writing both the AFIP fascicle and WHO blue book on head and neck pathology. He is recognized as an outstanding teacher and lecturer, and has conducted workshops and lectures throughout the world.

COURSE DESCRIPTION
This year’s course will emphasize pathology of the head and neck. The course will feature lectures on pre-malignant lesions and variants of squamous cell carcinoma, and pseudoneoplastic lesions of the head and neck, by Dr. Bruce Wenig; these will be followed by practical updates in molecular, genitourinary, gastrointestinal and hematopathology, as well as dermatopathology, by UAMS faculty. In addition, there will be three optional microscopic slide tutorials on Sunday morning in the areas of dermatopathology, gastrointestinal pathology and oncologic pathology for an additional charge. Attendance at these tutorials will be limited in order to foster an informal atmosphere and allow interaction of participants with the faculty. A course syllabus will be provided. Commercial exhibitors will also be present.

WHO SHOULD ATTEND
This intensive one and one-half day review is designed for practicing pathologists, pathology residents, and other interested physicians who have the desire to remain abreast of current issues in surgical pathology.

ACCREDITATION
The University of Arkansas college of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. The UAMS College of Medicine designates this educational activity for a maximum of 9 AMA PRA Category 1 credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity. AMA PRA Category 1 credit™ is a trademark of the American Medical Association. Accredited providers are “required” to use AMA PRA Category 1 credit™ whenever the complete phrase is first used in any publication and periodically through the publication.

DISCLOSURE POLICY STATEMENT
It is the policy of the University of Arkansas for Medical Sciences (UAMS) College of Medicine to ensure balance, independence, objectivity and scientific rigor in all sponsored or jointly sponsored educational activities. Any individual who is in a position to control the content of the educational activity, including course or activity directors, planning committee members, staff, teachers or authors of CME, must disclose all relevant financial relationships and the nature thereof that they or any member of their family members have with any commercial interest(s). The ACCME describes relevant financial relationships as those in any amount occurring within the past 12 months that create a conflict of interest. Individuals who refuse to disclose will be disqualified from participation in the development, management, presentation or evaluation of the CME activity.

COURSE DIRECTORS
Jesse K. McKenney, M.D.
Assistant Professor of Pathology
University of Arkansas for Medical Sciences

Laura W. Lamps, M.D.
