SEPTEMBER 25, 2010

BREAST PATHOLOGY UPDATE

FEATURING
SOHEILA KOROURIAN, MD
NICOLE MASSOLL, MD

SPONSORED BY THE DEPARTMENT OF PATHOLOGY
BRUCE R. SMOLLER, CHAIR

UNIVERSITY OF ARKANSAS FOR MEDICAL SCIENCES
COLLEGE OF MEDICINE,
SHOREY BUILDING, FOURTH FLOOR
## Course Description

This course will include updates on papillary lesions, ADH, low grade DCIS, and flat epithelial atypia. At the end of this conference, the participant will be able to:

- Examine lumpectomy specimens in a standard fashion.
- Apply criteria to diagnose benign papilloma, papilloma with focal atypical ductal hyperplasia and ductal carcinoma in situ, encysted papillary carcinoma and papillary carcinoma in situ.
- Apply standardized criteria to distinguish hyperplasia from atypical hyperplasia and ductal carcinoma in situ.
- Apply criteria to diagnose flat epithelial atypia.

## Who Should Attend

This intensive one day review is designed for physicians, residents, fellows, and scientists of any specialty with a desire to remain familiar with current issues in breast pathology.

## Accreditation

The University of Arkansas for Medical Sciences (UAMS) College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The UAMS College of Medicine designates this educational activity for a maximum of 4.5 AMA PRA Category 1 credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

## Featured Speakers

**Soheila Korourian, MD** is an Associate Professor and Director of Breast Pathology in the Department of Pathology at UAMS. She is a veteran member of the UAMS Breast Team, and plays a vital role in the Interdisciplinary Breast Conference. For the last 18 years, she has been responsible for quality assurance of the ancillary breast cancer studies. Dr. Korourian has written numerous manuscripts, presented in several local and national conferences, and been a co-investigator on multiple grants from NIH, Department of Defense and the Komen Foundation.

**Nicole Massoll, MD** is an Associate Professor and the Director of Cytopathology in the Department of Pathology at UAMS. She is a member of several national associations for gynecological pathology including the International Society of Gynecologic Pathologists, and the American Society for Colposcopy and Clinical Pathology. Dr. Massoll served for four years as the director of the Breast Unit at the University of Florida. She is currently involved in a grant request to the Susan G. Komen Foundation for “Epigenetic Silencing of the ATM Breast Malignancy”. Dr. Massoll teaches courses for medical students, residents, fellows and colleagues on a range of topics in medical and gynecological cytology.

## Disclosure

It is the policy of the University of Arkansas for Medical Sciences (UAMS) College of Medicine to ensure balance, independence, objectivity, and scientific rigor in all sponsored or jointly sponsored educational activities. All individuals who are in a position to control the content of the educational activity (course/activity directors, planning committee members, staff, teachers, or authors of CME) must disclose all relevant financial relationships they have with any commercial interest(s) as well as the nature of the relationship. Financial relationships of the individual’s spouse or partner must also be disclosed, if the nature of the relationship could influence the objectivity of the individual in a position to control the content of the CME. The ACCME describes relevant financial relationships as those in any amount occurring within the past 12 months that create a conflict of interest. Individuals who refuse to disclose will be disqualified from participation in the development, management, presentation, or evaluation of the CME activity.
