

February S.T.A.R.

Striving Together, Achieving Results

Janice Walls

It is the pleasure of the Access Employee Recognition Committee to announce that Janice Walls of the ENT Clinic is the recipient of the February S.T.A.R. Award!

According to a fellow employee, Janice Walls is a Patient Representative who is an invaluable addition to the ENT Clinic. From her start date 1 year ago, Janice “learned the system quickly, and she gained the respect from the staff and patients just as quickly.”

Please join us in congratulating Janice for her well-deserved recognition as February’s S.T.A.R. winner.
