INDEX OF OH&S SERVICES

Need Help?

Call: Occupational Health and Safety
686-5536 (Main Number)

- Air Quality Evaluation (Indoor Air)
- Asbestos Exposure Surveillance
- Authorized User Training (Radiation)
- Biological Materials Shipping/Permits
- Biosafety Cabinet Certification
- Chemical Exposures
- Chemical Hygiene Plan
- Chemical Regulatory Compliance
- Chemical Safe Use And Storage
- Chemical Spills (Large)
- Chemical Waste Management
- Environmental Audits/Assessments
- Ergonomic Consultation
- Film Badges (Radiation Dosimetry)
- Fire Safety
- Fume Hood Compliance
- Hazardous Waste Management
- Holiday Decorations
- Industrial Hygiene Services
- Laboratory Start-up Audit
- Laboratory Close-out Audit
- Laboratory Safety Training Class
- Material Safety Data Sheets (MSDS)
- Mercury Spills (Large)
- Personal Protective Equipment
- Radioactive Waste Disposal
- Radiation Safety Manual
- Radiation Survey Meter Calibration
- Respiratory Protection Program
- Use of Space Heaters

LABORATORY SAFETY

Chemical Safety

Environmental Safety

Fire Safety

UAMS
UNIVERSITY OF ARKANSAS
FOR MEDICAL SCIENCES

MEDICAL EMERGENCIES

- Labs in University Hospital, Ward Tower, Shorey, MRI/GAMMA Knife. Dial 686-7333
- Labs in OPC, ACRC and Jones Eye Clinic. Dial 686-7333 then dial "911"
- Labs in all other campus buildings not listed above. Dial 911

CHEMICAL SPILLS (REQUIRING ASSIST)

- Weekdays 7:30 AM to 4:00 PM. Dial 686-5536 (OH&S)
- Nights, Weekends, Holidays. Dial 686-6424 (Control Center)
- Little Rock Fire Department HazMat Team Response Team. Dial 911
- Chemical Spill Kit. Dial 686-5536
- Mercury spill sponge. Dial 686-5536

BIOHAZARDOUS MATERIALS

- Biohazard Protocol Approval. Dial 686-6368
- For waste pick-up. Page 688-2148 or 688-4791
- Red bags and sharps containers may be purchased online from the UAMS Stockroom.
- Biosafety Cabinet Certification (annual, new units, relocated units, etc.) Dial 686-5754
- Shipping of DOT Dangerous Goods regulated Biohazard Agents. Dial 686-5536
- CDC reportable select biohazard agents list. Dial 686-5536

RADIOACTIVE MATERIAL USERS

- Radiation Safety Committee application for approval. OH&S Web Page or Dial 686-7803
- New laboratory set-up audit (required before RAM work begins). Dial 686-7803
- Laboratory close-out audit. Dial 686-8873
- Radioactive Waste Disposal Dial 686-5550
- Radiation dosimeter application (film badge, ring) Dial 686-5550
- Radiation Safety Training (requirement: initial and annual) See OH&S Web Page for schedule or Dial 686-7803
- Bioassay monitoring exposure to radiation. Dial 686-7803

WASTE DISPOSAL

- Radioactive waste. Dial 686-5550
- Biohazard Waste. Page 688-2148
- All other chemicals. Dial 686-6958

FIRE SAFETY

- To report a fire: Dial 686-5333
- Give building, room number, what's burning and any other information helpful information.
- Do not use elevators. Use stairs.
- To report potential fire hazards. Dial 686-5536 or 686-6424
