Upon completion of this lecture, the participant should be able to:
• List the essential components of a "written protocol" as described in the ASBP Disease State Management
  Regulation 9.
• Describe appropriate documentation procedures for Disease State Management as outlined by the ASBP.
• Develop a written protocol for a specific Disease State Management scenario.
• Create a documentation record of a patient encounter.
• Assess a given set of patient data and choose an appropriate course of action according to a written protocol.

4:00pm – 4:30pm Credentialing Test

**Regulation 09-01-0003 from the Arkansas State Board of Pharmacy states:

To practice disease state management a pharmacist must:

a. be a licensed pharmacist in the State of Arkansas

b. complete requirements for a credential as established by a Board of Pharmacy approved organization.

The Continuing Pharmacy Education activity described in this brochure will satisfy the Board of Pharmacy
requirement for credentialing.

Continuing Education Credit:
This program is open to all pharmacists. This program provides pharmacy participants 3.0 contact hour(s). To receive credit, the
pharmacy participant must follow the attendance procedure of the program and complete all program evaluation forms. If the
attendance documentation is illegible then no statement of credit can be issued. Credit will be given based on percent of attendance
down to the 3.0 contact hour(s). Statements of credit will be given out after completion of the program. Credentialing Certification
by the Arkansas State Board of Pharmacy requires completion of the Continuing Pharmacy Education activity and a score of
70% or greater on the post-test in order to receive credentialing certification.

Grievance Procedure:
This procedure represents a formal mechanism whereby any pharmacist may obtain a review of a complaint of unfair treatment. A
pharmacist must file the grievance in writing within 30 days of the incident/activity generating the complaint. The complaint will be
reviewed by the Director of Continuing Education and every effort will be made to resolve the problem of the complainant. If the
complaint is not satisfactorily resolved, the complaint will be forwarded to the UAMS COP Dean for disposition.

Arkansas State Board of Pharmacy CE Requirements
• Each licensed Arkansas pharmacist must complete 30 hours of Continuing Education every biennium.
• A minimum of twelve (12) CE hours must be live contact hours as defined by the Arkansas State Board of Pharmacy and
twelve (12) hours must be ACPE accredited continuing education. These hours can coincide with each other.
