Upon completion of this course, participants will be familiar with current diagnostic concepts in pulmonary and mediastinal pathology, dermatopathology, genitourinary pathology, cytopathology, hematopathology, soft tissue pathology, and neuropathology.

**COURSE DESCRIPTION**

This course will feature two hours of lectures on neoplastic and non-neoplastic pulmonary pathology, presented by Dr. Thomas Colby, followed by practical diagnostic updates on the pathology of various organ systems presented by UAMS faculty. UAMS faculty will present lectures in their particular areas of expertise and emphasis. Attendance will be limited to foster an informal atmosphere and allow interaction of participants with the guest speaker and faculty. A course syllabus will be provided. There will be educational and informative posters and commercial exhibits.

**OBJECTIVES**

Upon completion of this course, participants will be familiar with current diagnostic concepts in pulmonary and mediastinal pathology, dermatopathology, genitourinary pathology, cytopathology, hematopathology, soft tissue pathology, and neuropathology.

**GENERAL INFORMATION**

**LOCATION**

The Seventh Annual UAMS Anatomic Pathology Conference will be held at the Peabody Hotel in Little Rock, Arkansas. The hotel is located at #3 Statehouse Plaza. Make your hotel reservations by calling the Peabody at (501) 375-5000 or (800) PEABODY. To receive the special room rate, register by August 11, 2004 and mention that you are attending the UAMS Pathology Conference.

**REGISTRATION FEES**

Registration fees of $250.00 for physicians and $150.00 for residents include a conference syllabus, breakfast and lunch on Saturday as well as breakfast and a snack on Sunday.

**CANCELLATION POLICY**

Requests for refunds received after September 1, 2004 will be assessed a $50.00 processing fee. To receive a refund, send a written request to the UAMS Department of Pathology.

**ACCREDITATION**

The University of Arkansas College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians. The office of Continuing Medical Education designates this educational activity for up to 10 hours in category 1 credit toward the AMA Physician's Recognition Award. Each physician should claim only those hours of credit he/she actually spent in the educational activity.

**DISCLOSURE**

It is the policy of the University of Arkansas College of Medicine Office of Continuing Medical Education to ensure balance, independence, objectivity, and scientific rigor in all its educational programs. Speakers are expected to disclose to the program audiences any real or apparent conflicts of interest related to the content of their presentations. Speakers are also expected to disclose when any product mentioned in their presentation is not labeled for the use under discussion or is still investigational.

For more information, call the UAMS Department of Pathology at (501) 603-1508 or e-mail Course Coordinator at gordonreneen@uams.edu
FEATURED SPEAKER

Thomas V. Colby, M.D.
Professor of Pathology, Mayo Medical School, Rochester, MN
Consultant in Surgical Pathology and Vice Chair of Pathology, Mayo Clinic, Scottsdale, AZ

Dr. Thomas Colby is a world-renowned surgical pathologist with special expertise in both neoplastic and non-neoplastic lung disease. A graduate of Stanford University and of the University of Michigan Medical School, Dr. Colby completed his training in pathology at Stanford University Hospital. Following faculty appointments at Stanford University Medical Center and the University of Utah Medical Center, he joined the Faculty of the Mayo Medical School in 1986, becoming Professor of Pathology in 1989. He has authored over 350 articles and book chapters and six books, including the AFIP Fascicles Tumors of the Lower Respiratory Tract and Non-neoplastic Disorders of the Lower Respiratory Tract, and the WHO's Histological Typing of Lung and Pleural Tumors. He is recognized as an outstanding teacher and lecturer, and has conducted workshops and presented courses and lectures throughout the world.

COURSE CO-DIRECTORS

JAMES A. WALDRON, M.D., Ph.D.
Professor of Pathology, Director of Anatomic Pathology and Hematopathology
UAMS Department of Pathology

PERKINS MUKUNYADZI, M.D.
Associate Professor of Pathology, Director of Cytopathology
UAMS Department of Pathology

University of Arkansas for Medical Sciences Faculty

James A. Waldron, M.D.
Professor of Pathology
Director of Anatomic Pathology and Hematopathology

Maria Thomas, M.D.
Assistant Professor of Pathology
Director of Autopsy Services

Margie Scott, M.D.
Professor of Pathology, Chief of Laboratory Medicine; John L. McClellan Veteran's Hospital

Amy Heerema McKenney, M.D.
Assistant Professor of Pathology

Perkins Mukunyadzi, M.D.
Associate Professor of Pathology
Director of Cytopathology

Jesse McKenney, M.D.
Assistant Professor of Pathology

Bruce R. Smoller, M.D.
Chairman of Pathology
Professor of Pathology and Dermatology
Director of Dermatopathology

Robert E. Mrak, M.D.
Professor of Pathology, Chief of Neuropathology

PROGRAM

SATURDAY, SEPTEMBER 11, 2004
7:00-8:30 a.m. Registration/breakfast
8:30-9:30 a.m. Bronchiolitis from the Pathologist's Perspective
Dr. Thomas V. Colby
9:30-10:30 a.m. Lung Tumors: Selected Topics
Dr. Thomas V. Colby
10:30-11:00 a.m. Break and Exhibits
11:00-12:00 p.m. Anterior Mediastinal Tumors: An Update
Dr. James A. Waldron
12:00-1:00 p.m. Lunch
1:00-2:00 p.m. The Role of Cytology in the Evaluation of Lung Tumors
Dr. Maria Thomas
2:00-3:00 p.m. Lung Infections: An Integrated Approach
Dr. Margie Scott
3:00-3:30 p.m. Break and Exhibits
3:30-4:30 p.m. Hodgkin Lymphoma: A Differential Diagnostic Update
Dr. Amy Heerema McKenney
4:30-5:30 p.m. Testicular and Paratesticular Tumors: Diagnostic Considerations
Dr. Perkins Mukunyadzi

SUNDAY, SEPTEMBER 12, 2004
7:30-8:30 a.m. Breakfast (sign-in at registration table for certificates)
8:30-9:30 a.m. The Histologic Classification of Adipocytic Neoplasms with Emphasis on Clinical Management Implications
Dr. Jesse McKenney
9:30-10:30 a.m. Histologic Mimics of Melanoma
Dr. Bruce R. Smoller
10:30-11:00 a.m. Break and Exhibits
11:00-12:00 p.m. Update on Brain Tumors: Newly Defined Entities and New Slants on Some Old Entities
Dr. Robert E. Mrak
